Open Burning Hearing

The serious situation in which Mattapoisett has found itself, following the no open burning order, will be under discussion at a Public Hearing on Thursday, May 6th. The Mattapoisett Board of Health has applied for a variance on the grounds that it is an impossibility to start a sanitary landfill operation before the present dump is completely filled. Earlier estimates by the Sanitary Landfill Committee put the life of the dump at one month if the rubbish could not be burned. At this hearing, Mr. Robert E. Donovan, director of the Southeastern Massachusetts Air Pollution Control District, will attend to hear the case put by town officials and any statements by the public. Mr. Harry Locke, chairman of the Sanitary Landfill Committee, is expected to present the town's case in this application for the variance. The annual town meeting, just completed, gave the authorization for the

Should the variance be granted, the conditions for burning will be set under the State law which is quite explicit on this subject. The law is Article 7.2.9 of Regulation 7, Sec. 13, Chapter 48 of the General Laws of Massachusetts. Persons, who oppose the variance, should attend this hearing to voice their objection as well as those who favor the variance.

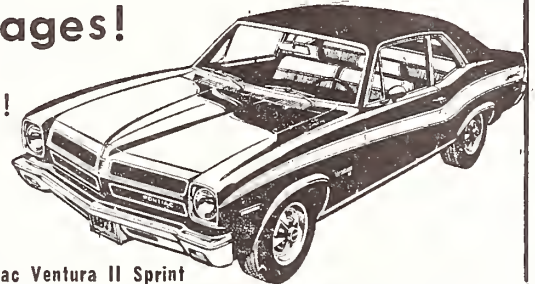

The hearing will be held at Old Hammond-town auditorium on Thursday, May 6th, at 8:00 P.M.

Spring Band Tour

BUSY JUNIOR HIGH BAND

The Junior High Band at Old Rochester Regional is busy rehearsing for its annual spring tour.

Only in its third year of existence the band which began with forty members and a rather unbalanced instrumentation has progressed and grown to its present size of seventy-four players. There is also much more depth and balance.

For its spring tour this year the band will feature the established and accepted band repertoire leaning toward the pops and dixieland; also featured will be a trumpet trio.

In addition to touring the elementary schools in its own district, the band has acquired additional engagements in Westport and Fall River. This band also participates in the annual pops concert at the high school; this year on May 21st at 7:30 P.M.

The following dates will comprise the spring tour this year: Friday, May 7th,

CLUB ELECTS OFFICERS

A delightful catered luncheon and an outstanding program combined to make the annual meeting of the Mattapoisett Woman's Club a most enjoyable one for members and guests of the club. Following the luncheon, the April meeting was called to order by Mrs. Albert Furnans, retiring president. Mrs. George King read the call to the Federation meeting at Falmouth on May 12, 13 and 14 at which time Mrs. Marshall Ross will be installed as president of the MSFWC.

Mrs. Ross spoke briefly on the proposed amendments to the by-laws of the Federation, which, if passed, would improve the efficiency of the organization.

News from FISH

There are now 105 FISHERmen in Mattapoisett, over fifty of whom are telephone volunteers. A large percentage have volunteered for more than one type of service and many have volunteered for all categories. From the age of nine to an octogenarian, the residents of our town have volunteered to care.

The youth of Mattapoisett have responded to the call of FISH with about 20 volunteers. The group is meeting every other Wednesday evening at the home of Ruth and Merry Stephan. Any interested young person is urged to attend. The group held a tea for the senior citizens on February 28th and on May 22nd a luncheon will be held at the Congregational Church. In addition, many of the young people have been devoting themselves to visiting in the homes of some of the elderly of the area. Plans are now being formed for visits to the nursing home on a regular basis.

Nancy McDonald is now working on scheduling regular visits to the Mattapoisett Nursing Home. Volunteers who are willing to spend a few hours in the afternoon once per month performing this service should phone Mrs. McDonald, 4412.

Mrs. McDonald is also coordinating regular visits to the private homes of the elderly and confined of the town. As men-

Meringue is the crowning touch for a refrigerator torte. The torte is made by spreading a mixture of dairy sour cream, whipped sweet cream, and strawberries between lemon flavored sugar cookies. For chocolate fanciers, substitute 1½ ounces (3 tablespoons) grated sweet chocolate for the strawberries. The cookies are then stacked in a roll and refrigerated 4 hours while the cookies swell and become cake-like in texture. After the roll is spread with meringue, it's sprinkled with almonds and baked to a golden brown. Then served, cut in diagonal slices.

MERINGUE STRAWBERRY

TORTE

- ½ cup dairy sour cream
- 2 tablespoons confectioners' sugar
- ¾ teaspoon vanilla extract
- ½ cup heavy cream, very stiffly beaten
- ¾ cup small pieces strawberries
- 16 Lemon Jumble Rings
- 2 large egg whites, at room temperature
- 2 tablespoons granulated sugar
- 1 teaspoon fresh lemon juice
- 2 tablespoons slivered blanched almonds

Blend together first three ingredients. Gently fold in cream and strawberries. Spread cookies generously with cream mixture, placing one spread cookie upon another; make three stacks of approximately five. Stand stacks on edge on cookie sheet to make one long roll. Refrigerate 4 hours.

Close to serving time, preheat oven to 475° F. Beat egg whites until soft peaks form; gradually beat in sugar; add lemon juice and continue beating until moist distinct peaks form. Spread meringue over all surfaces of roll. Sprinkle almonds on top. Bake 3 to 4 minutes or until delicately browned. Serve immediately. Makes 8 (approximately 1-inch) servings.

Tip: Leftover roll may be aluminum foil wrapped and frozen. Thaw at room temperature 1½ to 2 hours.

A funny thing happened on the way to the May 2 free Young People's Concert - "Snoopy" joined the parade. Heidi Perkins, left, knows "Snoopy" is actually her brother David but Kimberly Michaelson isn't sure that it's not her favorite pooch. The concert by the Regional Symphonic Band will be at 3 P.M. at Old Rochester Regional High School. Music for the occasion is provided by a grant from the Music Performance Trust Funds (Kenneth E. vere losses in their 3 best divisions, greatly decreasing the threat to Cambodia, Laos and South Vietnam.

So again President Nixon's judgment was right! With his fine leadership, soon we will have our troops out of South Vietnam - and, please God, our POW's returned safely to their loved ones as well!

Despite the agitators and do-anything-for-politics-sake loud mouths, the majority of Americans still share the confidence I do that we are lucky to have a man of sound moral and compassionate character in the White House.

LETTER TO THE EDITOR

Our annual Mattapoisett Town Meeting is now history and those who attended should be congratulated on their intense interest and for voting their convictions. Many exchanges of opinions were voiced and questions raised which led to final decisions reflecting the will of the people. If an occasional harsh word was used during a heated disagreement, then this must be considered as due to deep concern over the subject matter.

There is one misunderstanding, however, which concerns me deeply. During the final night of the meeting a motion was made to reconsider an Article to purchase certain property for use by the Water Department and others. As added justification

for such reconsideration I stated that the CD Hospital Unit, now occupying needed space at the Center School, might be stored at the proposed site. This was said in good faith. Two days before this, the Board of Water Commissioners and the undersigned viewed the present storage site and proposed new site, accompanied by the CD Director, who suggested this. We determined that there was adequate space for such storage on the second floor, provided higher CD Headquarters approved. This

was the last that either the Water Board members or I had heard about this matter. The Assistant CD Director, Mr. Kelley, had apparently been informed that afternoon that upstairs storage would not be permitted - hence his vigorous objection to my statement. Mr. Kelley had assumed that we had also been informed of this disapproval by State officials.

This Department welcomes helpful suggestions and constructive criticism. We do not resent it when our judgement is questioned but our integrity is precious to us, and that is what is involved here. I sincerely hope that the foregoing adequately explains this matter.

NEW BANK HOLDS DINNER

The proposed construction of a Bank in the town of Mattapoissett brought a group of Brockton Bankers to the Harbor Beach Club on Monday evening, April 12th. The officers and directors of Plymouth-Home National Bank whose main office is in Brockton, held an Introductory Dinner for the business and professional men of the town.

The dinner began with a social hour during which the officers and directors showed and described the plans for the proposed branch, and also fielded many inquiries as to the bank's history and their future plans.

Following dinner three members of the bank's management spoke regarding the bank's intentions for their newest office. Wayne E. Clark, chairman of the board, opened the speaking by discussing the bank's reasons for choosing this site. He was followed by Jerry Stratton, a local resident and the designated manager for the branch. Jerry related his own outside experiences as a local businessman and

Horace C. Weston, president of the bank, acted as moderator and was the final speaker. Mr. Weston concentrated his discussion on the bank's services and how they would assist the local businessmen.

He exemplified the actual services and how they have aided in the financial as well as everyday tasks of businesses within the bank's current operating area.

The opening of their Mattapoisett branch

in late summer will mark the fifteenth office for Plymouth-Home National Bank. It was also announced at the meeting that the bank reached \$80,000,000 in total footings at the end of the first quarter, 1971.

The Bourne Mill

BUZZARDS BAY AT THE BOURNE BRIDGE

panulata.

Mrs. William Thorn, also a member of the Garden Club, has decorated the other niche with spring decor. A feathered scarlet crane made from a coconut spathe stands on rocks among grasses, sea oats and shells. Driftwood, tree fungus, mallow pad and sea gulls are impressively placed in the setting.

The first of the two Open Amateur Swim Meets is on Sunday, May 2nd, beginning at 1:30 P.M. Entry blanks are still available. Events are for all ages and skills.
